

PETRUZZELLO'S

CURBSIDE PICK UP

*In conjunction with Governor Whitmer's stay at home order, we will be closing our physical office to tours and appointments. Due to our limited supply, we will be suspending our carry out curbside orders as of Monday, March 23rd. We plan to comply with local, state, and federal orders and look forward to reopening as soon as possible. We will still retain normal hours via email and phone for any questions regarding new bookings or scheduled events. Petruzzello's hopes everyone stays safe and healthy during these unprecedented times.*
